

BUSINESS OUTREACH COORDINATOR

The Milwaukee Metropolitan Sewerage District (MMSD) seeks an experienced individual to lead District outreach efforts to the fresh water research and development community engaged in creating jobs and establishing the Milwaukee 7 Region as the World Water Hub. The Business Outreach Coordinator will also ensure alignment of District economic development-related policies and activities to maximize investment in local businesses and labor force. In addition, the position will play a central role in the District's outreach and public education activities.

Requirements: Bachelor's degree in Business Administration, Political Science, Freshwater Sciences, Communication, and Organizational Development or other business or job-related field. Three to four years of job related experience including public speaking, interfacing with academic, governmental, and private stakeholders, and bilingual (Spanish) abilities is preferred. Strong verbal and written communication skills are needed to serve as an effective liaison between and among parties. Experience with Microsoft Office® products and the ability to achieve short and long term goals through prudently developed strategic business plans is required. Valid Wisconsin driver's license. Combinations of education and experience may also be considered. Residency within MMSD boundaries (which includes Milwaukee County - excluding South Milwaukee) is required within one year.

Salary: \$53,077 - \$78,643 (2011 Rates) DOQ;
competitive benefits package

Visit MMSD's web site at www.mmsd.com for application materials. Internal and external candidates must submit all required material no later than EOB on November 18th, 2011.
